Dear Pierre-Simon,

Happy New Year! I hope all is well.

We are organising a VIP visit in March and thought we could invite some of the Young Founders to a reception.

Would you be able to help me and suggest some France-based interesting guests that we could invite?

We would be ever so grateful.

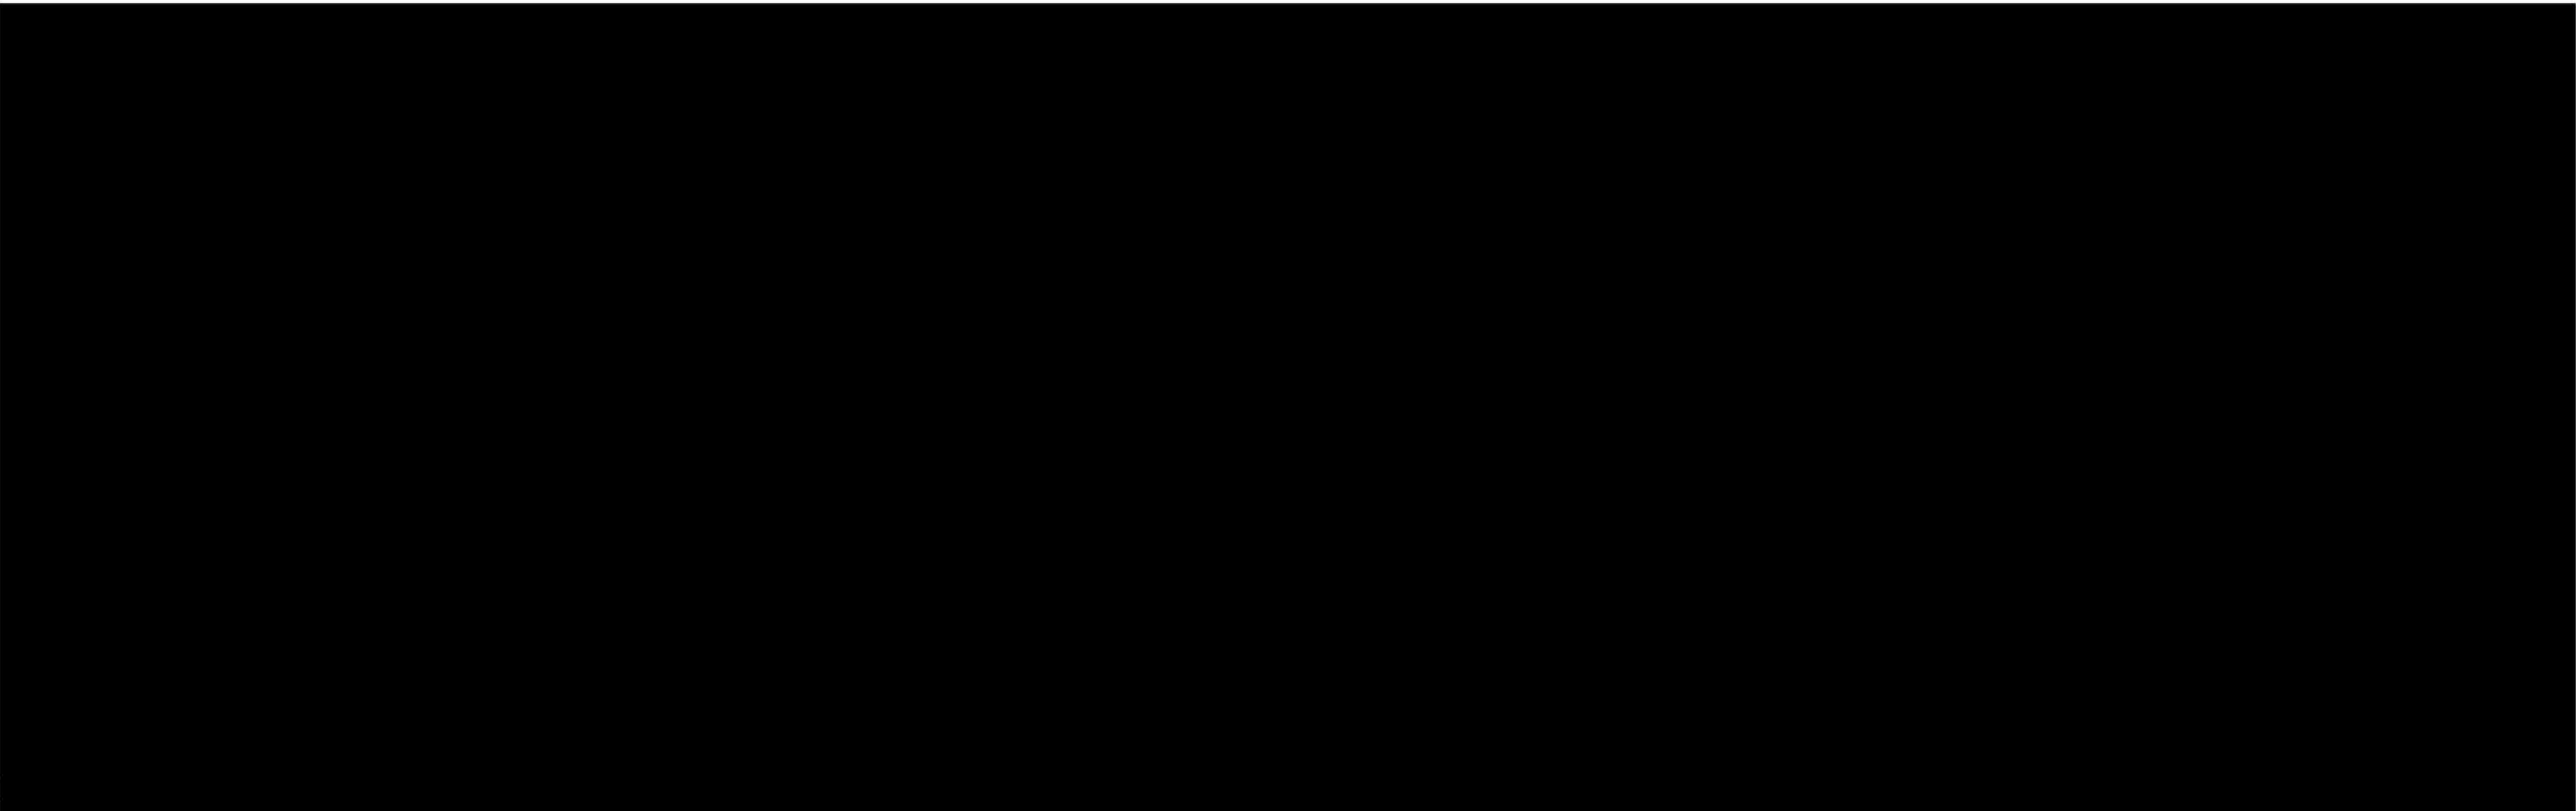

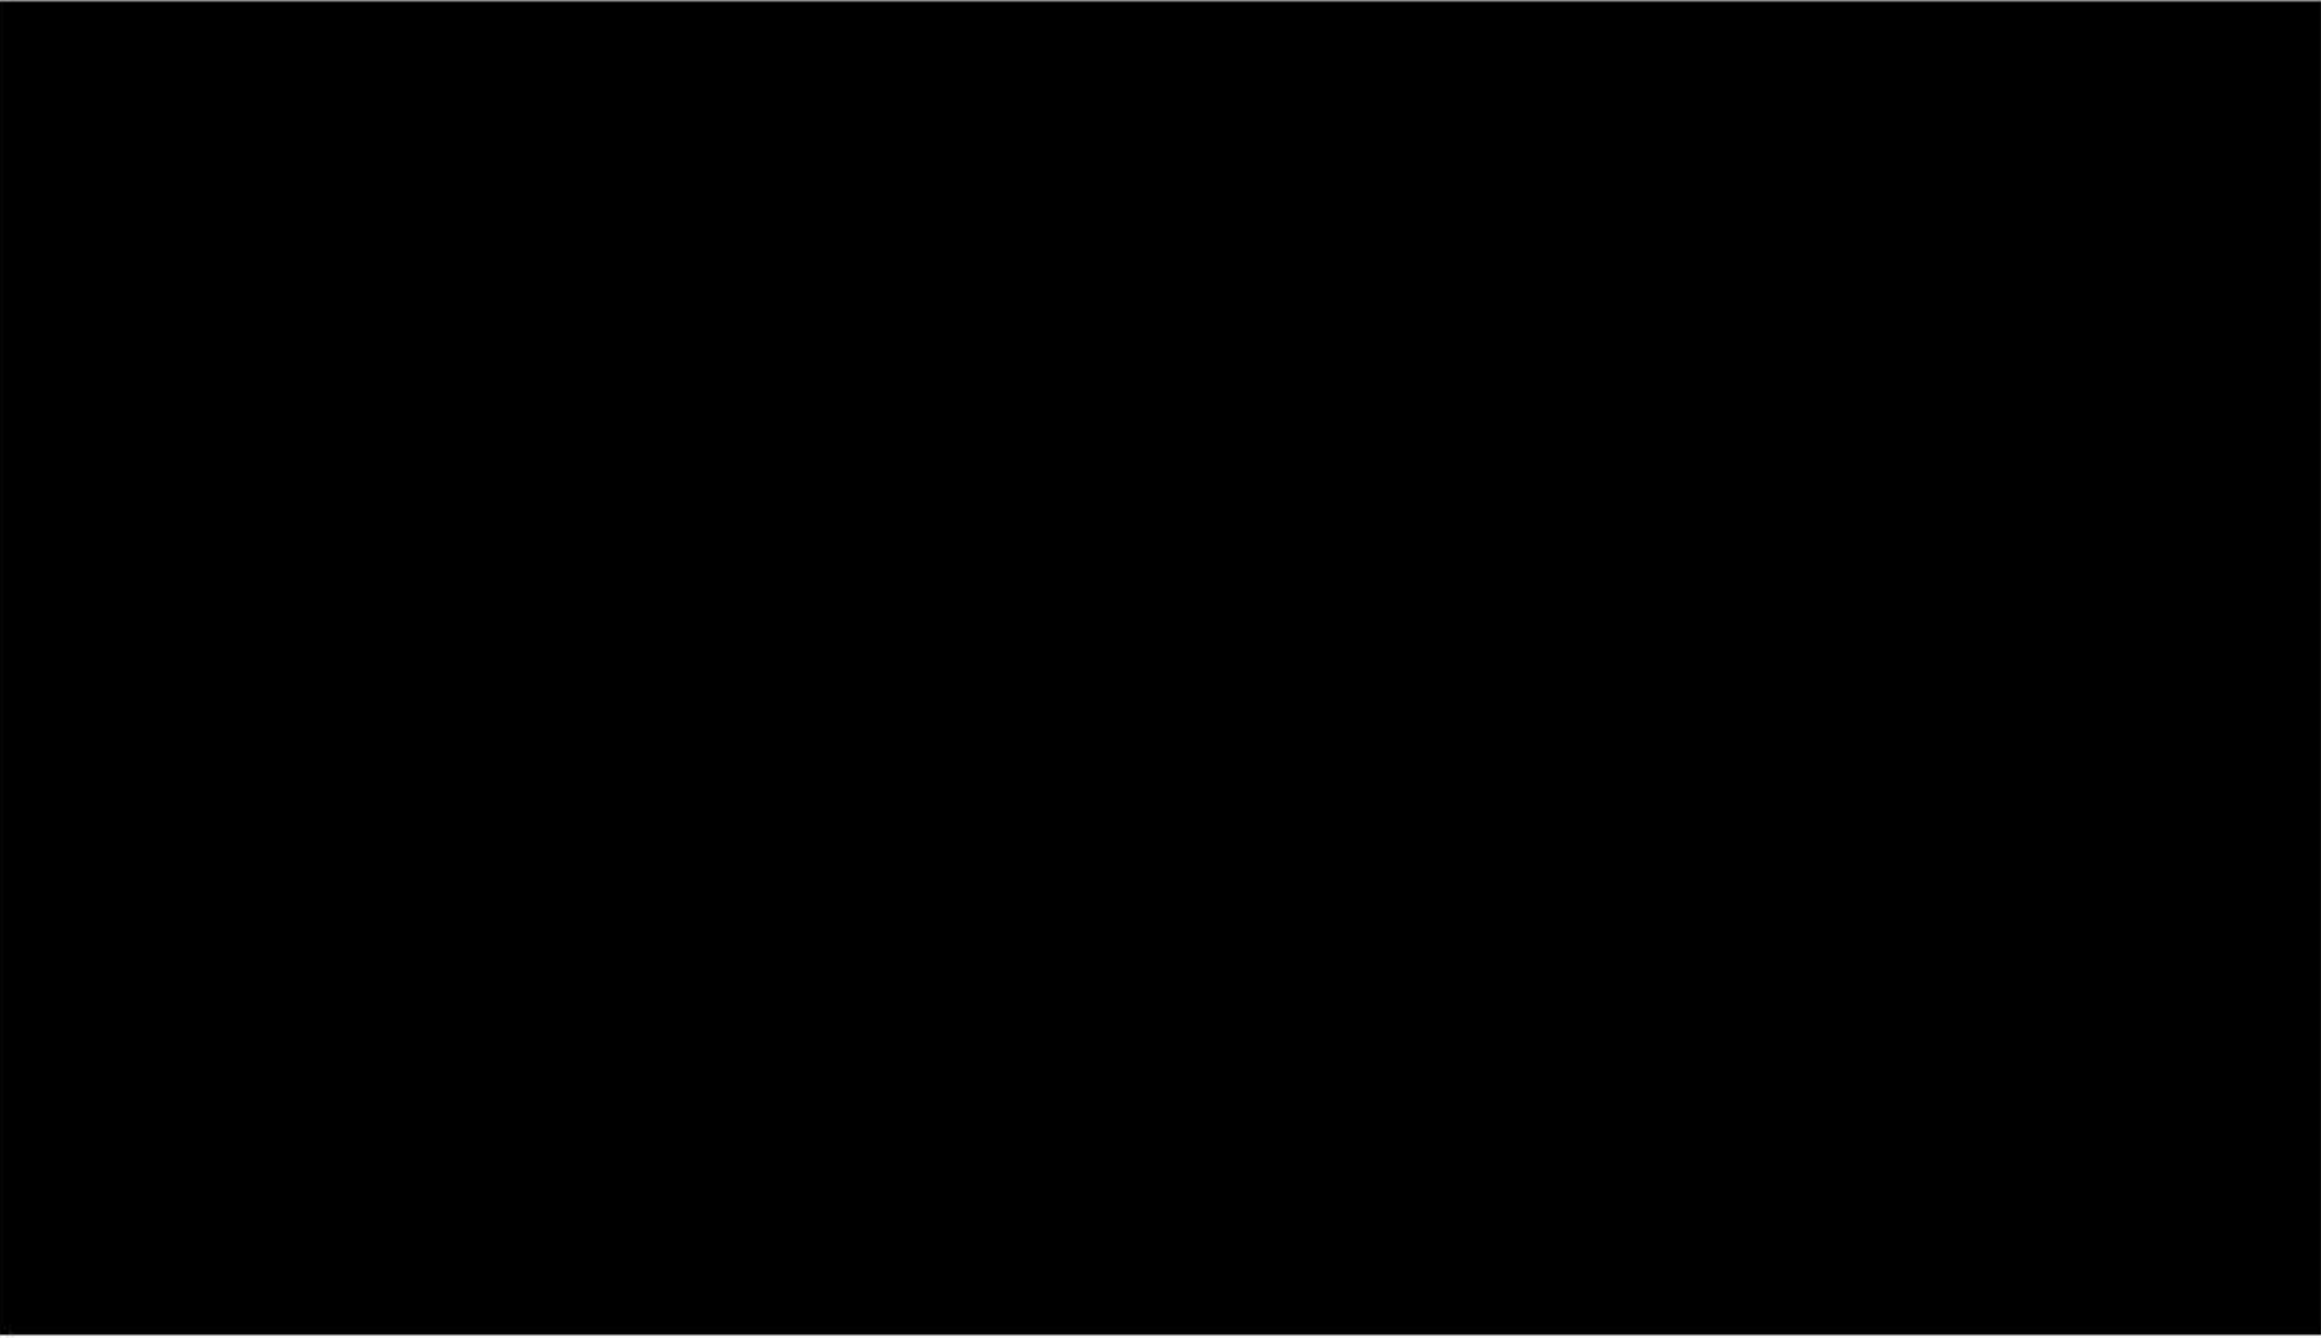

Cordialement,

Dear [Redacted],
Great to hear from you.
I would be happy to help.
How many people would you be able to invite?
When is the date of your event?

The date is Friday 17th March.

We are looking for 10-15 people with a Franco-British link – up and coming with a story to tell ☺

Your help is greatly appreciated.

Hi [Redacted]
Thanks for reaching out to me for this and thanks [Redacted] for calling me yesterday to remind me of it.

I have a list of 13 up and coming superstars for you. 7 women and 6 men.

[Redacted]

Let me know if you need extra names, it took me some time to remove names from my initial shortlist to arrive to those 13 so I have other great profiles waiting.

We would also be happy to help with the "Adult" Founders Forum for the dinner afterwards if needed.

Best,
